CONDUCT OF THE EXERCISE

Motivation for the Exercise:

The teacher introduces the session by reciting the rhyme **"My Country."**

Through repetition and interaction, the children become familiar with the name of their country, as well as the names of its current king and prime minister. The teacher may engage the children by asking them to repeat the rhyme and answer related questions.

Assessment of Learning:

To reinforce learning, the teacher asks the children review questions to summarize the concepts introduced, such as:

- "What is the name of our country?"
- "Who is the King of Cambodia?"
- "Who is the Prime Minister?"
